WHAT WE BUILD FOR YOU

8 AI tools, built and running **inside 30 days**

24/7 AUTOMATION

AI Sales Chatbot

Lives on your website. Answers buyer questions, qualifies serious enquiries, and books viewings automatically. Day and night, without you lifting a finger.

↑ Saves 24 hrs/month in call-backs

LEAD CAPTURE

Smart Viewing Scheduler

Buyers pick their own viewing slot from your live calendar. No phone tag. No back-and-forth. Automatic reminders sent to both parties.

↑ Converts cold enquiries to viewings

REPUTATION

**Review Generation Engine**

After every completion, an automated sequence goes out to the buyer requesting a Google review. 30 years of happy clients is a goldmine waiting to be activated.

↑ **50+ Google reviews within 6 months**

MARKETING

**Social Media Pipeline**

Weekly content built from your site photography and development updates, written in your voice, formatted for LinkedIn and Instagram, and scheduled automatically.

↑ **Saves 16 hrs/month on content**

SALES AUTOMATION

**Lead Nurture Sequences**

Every enquiry enters an automated email journey, taking them from first contact to viewing and from viewing to reservation. No lead goes cold. No follow-up forgotten.

↑ **Increases viewing-to-reservation rate**

INVESTORS

Investor Pack Automation

When an investor fills in your form, a branded investment pack fires to their inbox within 60 seconds. No manual preparation. No delay. Professional every time.

↑ Opens a scalable B2B revenue stream

INTELLIGENCE

Weekly Business Dashboard

Every Monday morning, a clear summary of the week's enquiries, viewings, conversions, and social performance lands in your inbox. Know the numbers without chasing them.

↑ Full visibility with zero manual effort

LAND AND SITE

Site Valuation Assistant

An AI tool that generates a preliminary site valuation and development brief when a land owner or agent makes contact, giving you a professional response in minutes rather than days.

↑ Speeds up land acquisition pipeline

AFTER SALES

Buyer Relationship Programme

A post-completion communication sequence that keeps buyers warm, asks for referrals at the right moment, and turns satisfied clients into your best sales channel.

↑ Turns every buyer into a referrer

AUDIT SUMMARY

What this scan found

⚠ 8 Gaps Identified

- ! Instagram (@eastwayhomesltd) and Facebook (EastwayHomes) exist but are not linked from the website and appear inactive. No LinkedIn company page found.
- ! Only 4 testimonials on-site, with no Google reviews and no Trustpilot profile.
- ! No online viewing booking. Buyers must wait for a manual callback.
- ! No chatbot. Enquiries sit in an inbox with no instant response.
- ! No content marketing. Nothing to attract buyers before they start searching.
- ! No pricing shown, which creates unnecessary friction for serious buyers.
- ! No CRM or lead nurture. Warm enquiries are falling through the cracks.
- ! No live availability. Buyers cannot see what is on the market today.

✅ 7 Opportunities Ready to Fix

- ✓ AI chatbot for 24/7 buyer qualification and automated viewing booking
- ✓ Review engine to convert 30 years of happy clients into Google stars
- ✓ Activate Instagram (@eastwayhomesltd) and Facebook with a weekly AI content pipeline. The accounts exist. They just need to be switched on properly.

- ✓

Lead nurture sequence, an automated journey from enquiry to reservation
- ✓

Viewing scheduler so prospects self-book with no phone tag required
- ✓

LinkedIn investor channel, a completely untapped B2B revenue stream
- ✓

Investor pack automation with instant branded delivery on every enquiry

FULL AUDIT

16-Point Business Digital Audit

Digital Presence Audit for Eastway Homes Based on publicly available data only. A full audit with system access will go much deeper. Score: 32 / 100			
Area	Status	What We Found	Recommended Action
Website	Partial	Clear CTAs, downloadable portfolio, professional design. No pricing, no live stock page.	Add live development availability. Add "prices from" guide. Improves buyer self-qualification.
Mobile Experience	Partial	Site appears responsive. No speed data available without access.	Run Google PageSpeed audit. Target under 3 seconds on mobile. Compress site images.
Enquiry Form	Partial	Basic contact form present. No auto-responder or confirmation.	Add instant auto-reply. Connect to CRM. Never let an enquiry go unacknowledged.
Online Booking	Missing	No viewing scheduler found. Buyers must call or wait.	Integrate smart booking tool. Let buyers self-schedule viewings 24/7.
AI Chatbot	Missing	No chatbot present. All enquiries handled manually.	Deploy AI chatbot to qualify buyers, book viewings, and answer FAQs around the clock.

AREA	STATUS	WHAT WE FOUND	RECOMMENDED ACTION
Google Business Profile	Missing	No Google Business listing with reviews found.	Create and verify Google Business Profile immediately. Single highest-impact quick win.
Customer Reviews	Partial	4 on-site testimonials. No third-party reviews on Google or Trustpilot.	Automate post-completion review requests. Target 50+ Google reviews in 6 months.
LinkedIn	Missing	No company LinkedIn page identified. A major gap for investor outreach and land acquisition conversations.	Create LinkedIn page. Share development updates and investment opportunities. High-value B2B channel.
Instagram / Facebook	Underused	Instagram (@eastwayhomesltd) and Facebook (EastwayHomes) accounts both exist but are not linked from the website. Posting appears infrequent and reach is limited.	Connect both accounts to the website. Establish a consistent posting schedule. Use site photography and development updates to build buyer desire before they actively search.
Content Marketing	Missing	No blog, newsletter, or video content found.	Run AI-generated blog for SEO. Monthly newsletter to buyers and warm leads.
CRM / Email Marketing	Missing	No CRM or email marketing system visible.	Implement CRM. Build automated nurture sequences for every lead stage.
SEO	Partial	Site appears indexed. No blog content to drive organic traffic volume.	Publish AI-assisted blog targeting buyer and investor search terms in Essex and South East.
Lead Nurture	Missing	No automated follow-up sequences identified.	Build sequences: enquiry to viewing to reservation to completion. Fully automated.
Investor Pipeline	Partial	Investment section exists with PDF download. Manual delivery process.	Automate investor pack delivery on form submit. Add LinkedIn outreach to land sellers.

AREA	STATUS	WHAT WE FOUND	RECOMMENDED ACTION
Pricing Transparency	Missing	No pricing information shown anywhere on the site.	Add "starting from" price guide. Reduces wasted enquiries and builds buyer trust.
After-Sales	Present	Founder personally contactable post-completion. NHBC 10-year warranty included.	Formalise into a post-completion programme. Turn satisfied buyers into active referrers.

THE PARTNERSHIP

Your Personal AI Architect

WHY THIS IS DIFFERENT

This is not a project. It is a relationship.

I am not here to sell you a piece of software and disappear. I become your dedicated AI architect, the person who understands your business from the inside, builds your systems, trains your team, and keeps pushing you forward as AI evolves. You focus on building great homes. I make sure your business runs at the speed of technology. Most businesses only get access to this level of AI thinking when they hire an in-house team. As your retainer partner, you get it for a fraction of that cost, and I am personally committed to your results.

WHAT I DO EVERY MONTH

- Review and optimise all running automations
- Build new tools as the business evolves
- Monitor performance and report clearly
- Train your team on any new systems
- Keep you updated as AI moves forward

→ Be available when you need strategic input

WHAT YOU GET

→ A fully automated enquiry and booking system

→ Growing review and social media presence

→ An investor pipeline that runs on autopilot

→ Weekly business intelligence dashboard

→ A team trained and confident with AI tools

→ A business that works while you are not in it

MY COMMITMENT TO YOU

→ Plain English. No jargon, ever.

→ Your price is locked until the contract ends

→ Monthly review so you always know what has been built

→ If it does not deliver ROI, we talk about it

→ I am invested in your growth, not just your payment

PARTNERSHIP OPTIONS

Three ways to **get started**

OPTION 1

AI Partner

For businesses ready to start automating. Focused on the highest-impact quick wins first. Live and delivering results within the first month.

- ✓ AI chatbot and viewing scheduler
- ✓ Review generation engine
- ✓ Social media content pipeline
- ✓ Basic lead nurture sequences
- ✓ Monthly strategy review
- ✓ Team training included

 Your price is locked for the full contract term, even as the value delivered grows.

OPTION 2

RECOMMENDED

AI Architect

The full suite. Every tool built, every automation running, full strategic oversight. For Eastway Homes, this is the right level.

- ✓ Everything in Option 1
- ✓ Full CRM implementation
- ✓ Investor pipeline automation
- ✓ Site valuation assistant
- ✓ Weekly intelligence dashboard
- ✓ Buyer relationship programme
- ✓ LinkedIn B2B channel setup
- ✓ Priority access. I am your partner.

 Your price is locked for the full contract term, even as the value delivered grows.

OPTION 3

Full AI OS Build

Everything built, installed, and your team fully trained. You take ownership and run it yourselves with no ongoing retainer required.

- ✓ Complete AI system build
- ✓ All tools designed for your business
- ✓ Full team training programme
- ✓ Documentation and handover
- ✓ 30-day post-launch support

One-time investment. Your systems, your ownership, forever.

Pricing is discussed after the free audit.

Every business is different. Once we sit down together and map your full picture, I will give you clear, transparent pricing tailored to exactly what Eastway Homes needs. No guesswork. No surprises. This scan used only public data and already identified **£96,000+ of annual value**. The conversation starts with the audit.

LIMITED FREE OFFER

Book Your Free AI Audit

This report was built using only what is publicly visible, and it already identified **£96,000+ of annual value**. A proper audit goes inside your systems, your pipeline, your processes, and your team's day-to-day. In our experience, that is where the real

numbers live. Once we sit with you and map everything properly, the figure climbs significantly. We are talking **£200,000 or more saved and generated every single year**. I will come to you, spend time understanding the business properly, and deliver a clear, jargon-free plan showing exactly where AI saves you time and money. No obligation. Just a real conversation that could change the way your business operates.

✓ No cost, no obligation

✓ In-person or online

✓ Plain English throughout

✓ Clear ROI estimate delivered
